12-Episode Order Brings Noted Showrunner & His Distinct Point of View to the Network's Creator-Driven Programming Slate in 2017

truTV, a division of Turner, announced today the greenlight of ***Upscale with Prentice Penny***, an all-new lifestyle series helmed by the noted showrunner, writer and producer and infused with his comedic sensibility. The unscripted series created by **Penny** with DEFY Media's **Chris Pollack** and **Jared Hoffman** received a 12-episode first season order and is set to premiere on truTV in spring 2017. In each half-hour episode, creator and host **Prentice Penny** will embark on a journey to demystify what it takes to live an upscale life, exploring a variety of topics ranging from food and wine to travel and fashion. From buying a better bottle of wine to getting a custom-made suit for less than some off-the-rack options, ***Upscale with Prentice Penny*** is about offering viewers ways to live a more elevated lifestyle by unlocking a world that often feels unattainable.

"Like so many people from working-class families, I grew up believing that a high-end lifestyle also comes with a high price tag. As I got older I learned that doesn't have to be the case," said **Penny**. "With *Upscale*, I want to show people that cost and quality aren't mutually exclusive, and an elevated life can come at every price point."

Upscale with Prentice Penny marks the latest addition to truTV's growing roster of premium, creator-driven projects with distinct points of view. The network has built a portfolio of original programming that has completely transformed it and resulted in unparalleled growth over the past four quarters. With a **median age of 32**, which has been steadily decreasing, truTV currently ranks as the fifth youngest entertainment network among television's top 50.

"Prentice's unique point of view, enviable sense of style and comedic insights make *Upscale* truly relatable for everyone," said **Marissa Ronca, executive vice president and head of programming for truTV**. "He brings incredible talent, creativity and an infectious curiosity to the series and we're all looking forward to him upscaling our lives."

For Penny, the series marks an exciting new chapter in his career by moving him in front of the camera as the show's host. Known for his trendsetting and fearless fashion choices, Penny has built his career working behind the camera until this point. He currently serves as showrunner for HBO's new comedy series *Insecure*. A seasoned television writer, Penny's past credits include FOX's Golden Globe-winning *Brooklyn Nine-Nine*, ABC's beloved *Happy Endings*, and UPN's stand-out comedy *Girlfriends*. He also created and executive produced the NAACP Award-winning Fuse Network series, *The Hustle*.

Upscale with Prentice Penny is executive produced by Penny, Pollack and Hoffman, alongside **James Moore**. Penny is represented by CAA and Hansen Jacobson, and DEFY Media is represented by WME.
