**Life on the Run Gets Messy...and Dangerous
In Season 2 of TNT's Hit Drama *Good Behavior*,
Premiering Oct. 15**

**Michelle Dockery and Juan Diego Botto Star in Seductive Drama
With Terry Kinney, Lusia Strus and Joey Kern**

Award-winning actress **Michelle Dockery** will be back on the bad side when she returns as thief and con artist Letty Raines, whose life is always one wrong turn or one bad decision away from implosion in the hit **TNT** drama ***Good Behavior***. **Juan Diego Botto**, **Terry Kinney**, **Lusia Strus** and **Joey Kern** also star in the seductive drama, which was created by **Chad Hodge** and **Blake Crouch** and is based on a series of books by Crouch. The second season of *Good Behavior* is slated to premiere across TNT's television, mobile and digital platforms on **Sunday, Oct. 15**, at **10 p.m. (ET/PT)**.

In *Good Behavior*, Letty Raines (Dockery) always gets what she wants. She even got back the one thing that had eluded her for so long – her son, Jacob (Nyles Julian Steele). Unfortunately, the deal she struck with the FBI to regain custody of her son nearly cost her the love of an assassin named Javier (Botto), the one man who ever truly understood her.

As the second season of *Good Behavior* opens, Letty has patched things up with Javier and reconciled with her mother, Estelle (Strus), who had long stood in the way of Letty getting custody of Jacob. On the run from FBI Agent Rhonda Lashever (Emmy® winner **Ann Dowd** - guest star), Letty, Javier and Jacob are heading for a new life trying to be normal.

The more Letty and Javier try to create a normal life, the more things go awry. Their attempt to build a

better future for Jacob soon proves futile when something more dangerous than the FBI catches up with them: the past. The sweet taste of normality slowly fades as Letty goes from bad at being good... to good at being bad.

TNT's *Good Behavior* is executive-produced by writer/showrunner **Chad Hodge** and author **Blake Crouch**, along with executive producers **Marty Adelstein** and **Becky Clements** of **Tomorrow Studios**, a partnership between ITV Studios and Marty Adelstein.

In its first season, *Good Behavior* drew a multiplatform audience of **4.1 million viewers per episode** and ranked as **one of ad-supported cable's Top 5 new dramas of Q4 2016**. It has also drawn more viewers through VOD than any other TNT drama.

The first five episodes of *Good Behavior* season one will be available on the TNT website and App from Oct. 5 through Oct. 11, 2017 and the second five can be viewed from Oct. 12 through Oct. 18, 2017.
