**Conan O'Brien** will once again be immortalized with a set of four **Pop! Vinyl figures** to be available this July, when **TBS's** late-night series **CONAN** returns to **San Diego** for **Comic-Con® International**. Created by **Funko** for **TBS**, a division of **Turner**, this year's collectible figure designs include "**Superman™ Conan**," "**Stormtrooper™ Conan**," "**Ghostbuster™ Conan**" and "**The Joker™ Conan**." In addition, the world of **CONAN** will be put on full display through a virtual reality experience at the **TBS Comic-Con® booth** on the convention floor.

During the week of **Comic-Con® International**, **CONAN** will be taped at San Diego's historic **Spreckels Theatre** on **Wednesday, July 20 - Saturday, July 23**, including two rare weekend shows. Episodes will air that Wednesday, Thursday, Saturday and Sunday at **11 p.m. (ET/PT)** on all TBS platforms and

will be available across TBS and Team Coco's digital, mobile and VOD platforms the day after airing.

Last year, *CONAN* became the first late-night show to tape a week of shows in San Diego during Comic-Con®, a milestone celebrated with the creation of the first-ever Conan Pop! Vinyl figures – "Conan O'Brien," "Batman™ Conan," "Zombie Conan" and "Conan's Monster" – which were handed out to thousands of fans attending the show's tapings. During this year's Comic-Con® International, new 2016 Conan Pop! Vinyl figures will be given away to audience members following each San Diego show, as well as directly to Comic-Con® attendees each morning. Supplies are limited, and details will be posted on the Comic-Con® website.

In addition to show tapings and giveaways, *CONAN* will be the focus of a unique virtual reality experience located at TBS's Comic-Con® booth on the convention floor. The experience will give attendees an exclusive peek into Conan O'Brien's world, both on and offstage, as seen through the eyes of a Conan Pop! Vinyl figure.

To promote *CONAN*'s expanding Comic-Con® presence, TBS will feature Conan Pop! Vinyl figures extensively in on-air spots and within various off-channel media, including a banner on the Marriott South wall, wrapped trolleys and bus shelters. In addition, TBS will take over San Diego International Airport with messaging featuring the Pop! Vinyl figures throughout the entire footprint, including baggage claims, pedestrian sky bridges and escalators.
