
Bleacher Reports Top-Rated Team Stream App Now Available on Apple Watch

Friday, April 24, 2015

[Bleacher Report](#), a leading digital destination for sports news, analysis, video and live scores announced today that its top-rated [Team Stream™](#) App is now available for Apple Watch. Designed and optimized specifically for Apple Watch, Bleacher Report's Team Stream App brings its best-in-class user experience to Apple's newest device as a brand new way for fans to stay up-to-date on their favorite teams, players and sports topics.

The Team Stream App includes real-time text and video push notifications on the latest from Bleacher Report's deep roster of lead writers and contributors. Team Stream App features also include:

- **Instant Alerts** – Notifications keeping fans updated on their favorite teams, topics and players as soon as news breaks;
- **Live Score Updates** – Personalized scores for every fan's favorite teams, as well as the day's top games;
- **Follow Games At A Glance With Live Play-by-Play** – By tapping on any individual game, fans can view both the score and live play-by-play details.

"Team Stream is the leader in providing fans with the real-time information and immersive experiences tied to their favorite sports, teams and players," said Dorth Raphaely, general manager, Bleacher Report. "Expanding Team Stream to Apple Watch provides another way for sports fans to get personalized, real-time Team Stream alerts and scores. It's the next step in keeping fans closer to the teams they love."

Team Stream for Apple Watch is included in the latest version of Team Stream [available now on the App Store](#).
