This fall, award-winning actress **Michelle Dockery** (*Downton Abbey*) is set to dive into one of the toughest, most challenging characters on television when she stars in **TNT's *Good Behavior***, a seductive thriller created by **Chad Hodge** (*Wayward Pines*) and **Blake Crouch** (*Wayward Pines*) based on the books by **Crouch**. **Juan Diego Botto** (*Ismael, El Greco*), **Terry Kinney** (*Oz, Show Me a Hero*) and **Lusia Strus** (*Wayward Pines, Cotton*) star with Dockery in the new drama, which is slated to launch **Tuesday, Nov. 15**, with a two-hour premiere at **9 p.m. (ET/PT)** across TNT's television, mobile and digital platforms.

Good Behavior tells the story of Letty Raines (Dockery), a thief and con artist whose life is always one wrong turn or one bad decision from implosion. Fresh out of prison, Letty tries to stay afloat; reunite with her 10-year-old son who is currently being raised by her mother Estelle (Strus); and show up for the mandatory check-ins with her parole officer Christian (Kinney), who carries his own demons which cause him to relate to Letty in a way that threatens his ability to do his job. Chaos returns to Letty's life when she overhears a hitman (Botto) being hired to kill a man's wife, and sets out to derail the job. She soon finds herself on a collision course with the killer, entangling both of them in a dangerously captivating relationship.

TNT's *Good Behavior* is being executive-produced by writer/showrunner **Chad Hodge** and author **Blake Crouch**, along with executive producers **Marty Adelstein** (*Aquarius, Prison Break, Teen Wolf*) and **Becky Clements** (*Aquarius, Last Man Standing*) of **Tomorrow Studios**, a partnership between ITV Studios and Marty Adelstein.
