Oklahoma City Thunder Guard Russell Westbrook Debuts New Fashion Collaboration, Westbrook XO

Premiere Edition of "Jam Session" to Feature IMAGINE DRAGONS' First-Ever Live Performance of "I Bet My Life" From NBA Opening Week in Cleveland

NBA Inside Stuff presented by Samsung Galaxy returns Saturday, Nov. 1, on NBA TV at noon ET with a new episode featuring co-hosts Grant Hill and Kristen Ledlow. The 30-minute show – the first of 30 new episodes airing throughout the 2014-15 NBA regular season – will feature a one-on-one interview by Hill with Chicago Bulls guard Derrick Rose, and an all-access look at Kobe Bryant's training program as the 16-time NBA All-Star worked to retake the court following last year's injury-shortened season.

## Derrick Rose One-on-One Interview

Hill sits down with the 2010-11 NBA Kia MVP Award winner as Rose discusses his return from injury, the experience of playing for his country this summer with USA Basketball, and the Bulls' promising outlook for this season.

## Kobe Bryant Workout

Bryant provides the show an inside look at his offseason workouts as the former MVP looks to regain his top form. The feature includes Bryant on the challenges he's faced during his comeback and his relentless pursuit to prove his doubters wrong, along with behind-the-scenes footage of his workouts at the Lakers' training facility.

This week's series premiere will also take a look at new faces in new places following an eventful NBA offseason, along with a visit with Oklahoma City Thunder guard Russell Westbrook as the NBA All-Star launched his Barney's New York fashion collection, Westbrook XO. Westbrook was joined at the New York City event by teammate Kevin Durant and Kenneth Faried of the Denver Nuggets.

## IMAGINE DRAGONS

Grammy® Award-winning rock band IMAGINE DRAGONS' live performance of its brand-new single "I Bet My Life" – planned for Thursday night's hour-long TNT NBA Tip-Off presented by AutoTrader pre-game show in Cleveland – will be featured in this week's "Jam Session." Written and produced by IMAGINE DRAGONS', "I Bet My Life" is the first music to be released from the Las Vegas quartet's upcoming second album, which will be released by KIDinaKORNER/Interscope Records in 2015.

"Jam Session" and "Rewind" are two of the show's most celebrated segments highlighting the top plays in the NBA each week.

NBA Inside Stuff presented by Samsung Galaxy, televised each Saturday at noon throughout the season. Additionally, the show includes brand extensions across the entire NBA Digital portfolio and social media integration across all platforms.
