Samantha Bee Interviews her First Male President, Barack Obama

Episode to Air Monday, Oct. 31, at 10:30 p.m. (ET/PT)

Next week on **TBS**, *Full Frontal with Samantha Bee* will feature a thought-provoking interview with **President Barack Obama**. A legal scholar and former junior Senator from Illinois, Mr. Obama has served the past eight years as the President of the United States of America. Samantha Bee's interview of President Obama will air on TBS **Monday, Oct. 31, at 10:30 p.m. (ET/PT)**.

The conversation with America's male president, who wore a flattering wool suit paired with sensible leather flats, follows Samantha's October 24th interviews with Norwegian Prime Minister Erna Solberg, Chilean President Michelle Bachelet, Marshallese President Hilda Heine, Croatian President Kolinda Grabar-Kitarovic, along with former Secretary of State Madeleine Albright. "Talking to Secretary Albright was especially inspiring," said Bee. "I hope to interview other former Secretaries of State in the very near future."

The interview comes as President Obama has been hitting the campaign trail in support of get-out-the-vote efforts on behalf of Democratic nominee Hillary Clinton. It covers a range of topics, from the 44th president's legacy to the challenges the new Commander in Chief will face when she takes office in January. (Yes, "she." Spoiler alert.)
