
Highlights from Sports Business Innovation Presented by Turner Sports at CES in Las Vegas

Thursday, January 5, 2017

Turner Sports, as part of Turner's largest-ever footprint at CES in Las Vegas, today hosted its second annual Sports Business Innovation, a **series of panels** including **NBA Commissioner Adam Silver** and **NCAA President Mark Emmert** as featured participants. Following the panel discussions, **ELEAGUE** - a partnership between Turner and WME | IMG - presented a **live studio show** previewing the "[ELEAGUE Major](#)" to be held later in the month.

Additionally, continuing throughout the evening, TNT's Sports Emmy Award winning *Inside the NBA* studio team - Ernie Johnson, Charles Barkley, Kenny Smith and Shaquille O'Neal - will continue to provide studio coverage throughout the evening from Las Vegas.
