### **About ELEAGUE**

ELEAGUE is the premium esports tournament and content brand formed in partnership between Turner and IMG that officially launched in 2016. A leader in the delivery of live event experiences, ELEAGUE content is regularly showcased on TBS and widely distributed across digital platforms including Twitch, YouTube and ELEAGUE.com. Over its first two years, ELEAGUE has produced and staged three season-long competitions featuring *Counter-Strike: Global Offensive*, along with the first-ever *Overwatch® Open*. As recognition of its industry-wide impact, ELEAGUE was awarded its first-ever *CS:GO* Major in January 2017. The *ELEAGUE Major* Grand Final set a new all-time Twitch record with more than one

million concurrent streams, and a total reach of over 3.6 million viewers throughout the course of the event. ELEAGUE received a Sports Emmy® nomination for Outstanding Studio Design and Art Direction in March 2017. In August 2017, ELEAGUE made its first entry into feature-length premium episodic content with the launch of *ELEAGUE | Road To The International Dota 2 Championships*. ELEAGUE also actively engages with the amateur gaming community, including hosting the *GEICO ELEAGUE Amateur Series*. It has continued to expand its portfolio of titles for the *ELEAGUE Injustice 2 World Championship* and *The ELEAGUE Cup: Rocket League*. ELEAGUE's record-setting *ELEAGUE Major* in 2017 built momentum for the brand to receive a second *CS:GO Major* bid, with *The ELEAGUE Major: Boston* set for early 2018.
