truTV Announces 2018 Greenlights, Premiere Dates & Guest Stars For Its Comedic Programming Slate

It's Day 8 of the TCA Winter Press Tour... Let's get into it:

- The cable comedy network announced the guest stars for its upcoming comedic anthology series **Bobcat Goldthwait's Misfits & Monsters**, including **Bridget Everett**, **Seth Green** and **Danny Pudi**, among others. The eight-episodes premiere in summer 2018 and you can watch a first look at <http://bit.ly/2mswtRN>;
- The network greenlit a new pilot, **Tacoma FD** (wt), from **Kevin Heffernan** and **Steve Lemme**, co-creators and stars of *Super Troopers*, and gave a 16-episode first season order to **Paid Off with Michael Torpey**, the only comedy gameshow that tackles student debt;
- Finally, premiere dates and guest stars were announced for **Talk Show the Game Show**, **Adam Ruins Everything** and **The Chris Gethard Show**, all of which will return with new episodes this spring.

On the heels of a breakout year in 2017, **truTV** today announced 2018 greenlights, premiere dates and guest stars ahead of the network's panel at the Television Critics Association Press Tour. Being paneled today at TCA, **Bobcat Goldthwait's Misfits & Monsters** will welcome a crop of talented guest stars to the prolific director's scripted comedic anthology series. Bringing viewers twisted, darkly witty satirical tales, each episode mashes up two distinct genres and features characters who are misfits, monsters, or both, but with unexpected and fantastical turns. Joining Bobcat on today's panel are guest stars **Bridget Everett**, **Seth Green** and **Danny Pudi** with additional guest stars included in the description below. The show premieres in summer 2018 and a first look is available at <http://bit.ly/2mswtRN>.

The network also announced the series greenlight of **Paid Off with Michael Torpey**, a half-hour comedy game show where contestants compete for the chance to have their student debt paid off. In addition, truTV has ordered to pilot **Tacoma FD** (wt), a half-hour scripted comedy from **Kevin Heffernan** and **Steve Lemme**, co-creators and stars of the cult classic film, *Super Troopers*.

Finally, truTV unveiled guest stars for returning series **Talk Show the Game Show** and premiere dates for **Adam Ruins Everything** and **The Chris Gethard Show**, which will return in spring 2018.

2017 marked the third full year since truTV's emergence as a comedy brand, and the network once again delivered on its promise to provide a wholly-original programming slate of premium comedic content with creators at the center. Driving this huge momentum and sustained ratings growth - truTV is one of only two networks with two consecutive years of growth in prime among adults 18-49 - is a

mix of scripted, non-scripted and hybrid projects including: the breakout freshman series **At Home with Amy Sedaris** and **I'm Sorry**; one of cable's top 5 original comedies, **Impractical Jokers**; the inventive investigative comedy **Adam Ruins Everything**; and two series bringing the fun and spontaneity back into late-night, **The Chris Gethard Show** and **Talk Show the Game Show**, among others.

Below is a complete rundown of truTV's latest programming moves.

Development:

Tacoma FD (wt)

Scripted Pilot Order

With their long-anticipated film *Super Troopers 2* debuting this spring, co-creator and stars **Kevin Heffernan** and **Steve Lemme** are putting on new uniforms in **Tacoma FD**, a new half-hour comedy set in a firehouse in the wettest city in America. Light on blazes that need extinguishing, they are basically fire fighters who are always ready to fight fires... but in this wet city, they also have to fight their own boredom.

The series is co-created and executive produced by Heffernan and Lemme alongside **David Miner** and **Greg Walter** from **3 Arts Entertainment** and **Kyle Clark** from **Silverscreen Pictures**.

New Series:

Paid Off with Michael Torpey

16-Episode New Series Greenlight Airing Summer 2018

The student loan crisis is ridiculous, so comedian **Michael Torpey** (*Orange is the New Black*) is solving it in the most ridiculous way possible, a comedy game show. **Paid Off with Michael Torpey** gives three lucky college grads – saddled with student debt – the chance to test the depth of their degrees with fun, fast paced trivia questions. In the end, one lucky winner will get the chance to have their student debt paid off.

The series is co-created by Torpey and **Cowboy Bear Ninja**, who also produces. **Michael Melamedoff** and **Adrian Selkowitz** serve as executive producers for **Cowboy Bear Ninja** alongside executive producers Torpey, **Ethan Berlin** and **Leigh Hampton**.

Comedian **Guy Branum** (*The Mindy Project*, *Chelsea Lately*) is back with 16 all-new first season episodes of his outrageous mashup comedy series **Talk Show the Game Show**. Based on Branum's popular live comedy show, the series is a boisterous combination of two beloved television formats that pits celebrities against each other to vie for the title of "Best Guest of the Night." The difference is that on this show it literally counts!

Also returning this year are the series' comedic panel of judges including Emmy® Award-winning writer and host of the popular podcast "My Favorite Murder," **Karen Kilgariff**, and author and journalist **Casey Schreiner**. The judges give the real-time reactions we all want during a talk show appearance: roasting mediocre guests and applauding what the best guests did right. Celebrity contestants and matchups featured in these new episodes include:

- **Melissa Joan Hart; Caroline Rhea; Jared Logan**
- **Colin Quinn; Charles Barkley; Marissa Jaret Winokur**
- **Fortune Feimster; Reggie Bush; Nick Thune**

The Chris Gethard Show

New Live Episodes Premiere Tuesday, March 20 at 11:00pm ET

Comedian **Chris Gethard** brings his interactive, off-the-rails talk show live to truTV, stretching the limits of what is possible on late-night television. Each week, Gethard walks a tightrope between chaos and control, attempting (and often failing) to wrangle celebrity guests, a cast of comedy improvisers, a studio audience and an electric fan-base of callers, all without a safety net. Throughout its rise from a live stage show to a humble NYC public access show to a beloved and critically-lauded TV series, **The Chris Gethard Show** has attracted a host of A-list celebrity guests including Method Man, Ellie Kemper, P. Diddy, John Oliver, Paul Giamatti and more.

The series is produced by **Funny Or Die**. **Zach Galifianakis, Will Ferrell, Adam McKay, Owen Burke, JD Amato, Brian Stern** and Gethard serve as executive producers.

Adam Ruins Everything

6 Animated Episodes Premiere Tuesday, March 20 at 10:00pm

Adam Conover is back to "Reanimate History" in six all-new episodes that take on well-known

historical topics and reveal the surprising truths and unsung heroes behind the history we've been taught. Questioning the universally-accepted narratives surrounding the American Revolution, Native Americans, the Cold War, the Ancient World, the Renaissance and the Turn of the 20th Century, an animated Adam will question if we do really know all the facts and give viewers information that will make them see the world in a whole new way.

Two back-to-back episodes premiere at 10:00pm on March 20 and the series moves to its regularly scheduled 10:30pm timeslot beginning March 27.

Created by Conover, the series is produced by **Big Breakfast**, an Electus company, with Conover, **Sam Reich, Spencer Griffin, Jon Cohen, Jon Wolf**, and **Greg Tuculescu** serving as executive producers.
