TNT Takes a Swipe At Nail Salon Dramedy *Claws*, Orders Pilot From Executive Producers Rashida Jones And Will McCormack, Writer/Co-Executive Producer Eliot Laurence, Warner Horizon Television And TNT Original Productions

TNT has ordered a pilot for *Claws*, an hour-long scripted dramedy set in a Southern Florida nail salon. Executive-produced by Le Train Train's **Rashida Jones** and **Will McCormack** (*Toy Story 4*, *Celeste and Jesse Forever*, *A to Z*), *Claws* is from **Le Train Train** in association with **Warner Horizon Television** and **TNT Original Productions**, and is written by co-executive producer **Eliot Laurence** (*Welcome to Me*).

Claws is a midnight-dark, wickedly funny meditation on female badness which follows the rise of five diverse and treacherous Florida manicurists in the traditionally male world of organized crime. We will soon find out there is a lot more going on at the Nail Artisan of Manatee County salon than silk wraps and pedicures.

Claws marks Jones' second project for Turner this year. She can currently be seen on TNT's sister network TBS in the new cop show parody *Angie Tribeca*, in which she plays the title role and serves as producer.
